In re Application of :  
Shaefer, Louisa :  
Application No. 10/047,660 : **ON PETITION**  
Filed: January 15, 2002 :  
Title: Night Light :

This is a decision on the renewed petition under 37 C.F.R. § 1.137(b), filed July 15, 2010, to revive the above-identified application.

The petition is **GRANTED**.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an Amendment, (2) the petition fee, and (3) a proper statement of unintentional delay.

The above-identified application has been abandoned for an extended period of time. The Patent and Trademark Office is relying on petitioner's duty of candor and good faith and accepting the statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.<sup>1</sup>

As the Power of Attorney was only recently given to the petitioner, it is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must notify the Office.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3206.

This matter is being referred to Technology Center AU 2875 for further examination on the merits.
